

## Objective

I 'm an UI / UX Designer and I've recently graduated from college in May 2015. I'm passionate about designing and creating interactive and engaging experiences. I'm looking to be a part of an awesome team where I can grow and contribute.

## Experiences

### **RED Interactive Agency : Experiential Designer**

Santa Monica, CA : June 2015 : March 2016

I designed responsive websites that are soon to be released, worked for WGN America's Outsiders and Underground Experience. Also worked for A&E's \*Asterisk website as well as working on the landing page redesign.

### **THR33FOLD Integrated Interactive & Digital Marketing Agency : Creative Intern**

Coral Gables, FL : June : August 2014

Worked on developing promotional animated videos, designed and implemented social media content, and worked on designing and developing responsive websites.

### **RIT New Student Orientation : Orientation Assistant**

Rochester, NY : 2012 - 2013

## Education

### **Rochester Institute of Technology**

Rochester, NY : 2015

Bachelor of Fine Arts

Majored in New Media Design

## Skills

### **Design :**

User Centered Design

User Research
