Objective

I 'm an UI / UX Designer and I've recently graduated from college in May 2015. I'm passionate about designing and creating interactive and engaging experiences. I'm looking to be a part of an awesome team where I can grow and contribute.

Experiences

RED Interactive Agency : Experiential Designer
Santa Monica, CA : June 2015 : March 2016

I designed responsive websites that are soon to be released, worked for WGN America's Outsiders and Underground Experience. Also worked for A&E's *Asterisk website as well as working on the landing page redesign.

THR33FOLD Integrated Interactive & Digital Marketing Agency : Creative Intern
Coral Gables, FL : June : August 2014

Worked on developing promotional animated videos, designed and implemented social media content, and worked on designing and developing responsive websites.

RIT New Student Orientation : Orientation Assistant
Rochester, NY : 2012 - 2013

Education

Rochester Institute of Technology
Rochester, NY : 2015

Bachelor of Fine Arts
Majored in New Media Design
